**NOTE**: Where applicable, dimensions are in accordance with Society of Automotive Engineers (SAE) standards. • Specifications and design are subject to change without notice. • Pictures of Bobcat skid-steer loaders are shown for marketing purposes and may not be exactly as described. • Not all attachments may be applicable to all models. • Some information may not be accurate due to ongoing product improvements. • Contact your dealer for further details.

**4Special application kit (see #3) must be used.**

**3Includes lexan front door, top and rear windows.**

**2Includes all that with performance, safety, higher resale equipment value on the market today. That's the Bobcat Advantage!**

**The Bobcat Advantage**

- High-visibility front door, with 49% more glass.
- Optional Deluxe Instrumentation Package
- State-of-the-art instrument panels provide dozens of operational features, diagnostics and monitoring.
- Optional Deluxe Instrumentation package includes keyless start, security system, bobcat, maintenance and job clocks, multifunction display, even a “help” menu.

**The New Standard**

- Combines all those outstanding features with the 864 G-Series’ ease of operation, sensuality, maneuverability, scale of attachments, world-class dealer support, service backup, parts availability and high resale, and it adds up to a Bobcat that can’t be matched.

**The Bobcat Advantage**

- Seat allows all-day operation. The innovative seat bar pivots from the rear, providing secondary restraint protection and serving as a comfortable armrest for operators of all sizes.
- The tracks also have low ground pressure, making the 864 ideal for working in soft ground conditions.
- The loader’s unique track system produces a smooth ride and wide choice of attachments, and it adds up to the best Bobcat attachment package.
- Extra hydraulic horsepower required to operate high-flow applications. The tracks also have low ground pressure, making the 864 ideal for working in soft ground conditions.
- The Bobcat’s unique track system produces a smooth ride and wide choice of attachments, and it adds up to the best Bobcat attachment package.
- Combine all that with performance, safety, higher resale equipment value on the market today. That’s the Bobcat Advantage!
Top-notch traction for your toughest tasks!

Bobcat® 864 G-Series
Compact Track Loader

Rugged rubber tracks give you the extra traction you need to keep working on rough ground, soft ground — even in muddy conditions! The 864’s lightfootsed track system also means reduced ground pressure and less ground disturbance.

You get more pushing power, too. The tracks are learned with a hauly 73 hp diesel engine to deliver plenty of muscle for grading, lifting, digging and dumping.

Extra Hydraulic Power!
The 864 with the high flow option package gives your 864 loader an extra 11.4 GPM of hydraulic flow, for a total of 32 GPM. This, along with 3000 PSI system pressure, allows you to operate special high-performance attachments, including pavement planner, pricker and brush cutter.

Choice of Attachments.
As with any Bobcat loader, you can count on a variety of quick-attach Bobcat attachments for your 864. This exclusive feature requires that the operator be seated in the loader with the seat bar down in place and the engine running before the hydraulic lift and tilt and traction drive system can be operated.

Serviceability.
Bobcat serviceability is unsurpassed. Simply open the swing-out access door to full access to the engine’s check and fill, filter and battery. And unlike other brands, the lift arms need not be raised to service the machine. Skip time is spent repairing, not gaining access.

Greater Comfort.

- The G-Series cab is operator-friendly, designed for maximum comfort and functionality.
- With larger cab opening the 864 is easy to enter and exit.
- Fully adjustable suspension seat for all-day operator comfort.
- The innovative seat bar pivots from the rear, providing secondary restraint protection.
- With its larger cab opening the 864 is easy to enter and exit.
- The G-Series cab is operator-friendly, designed for maximum comfort and functionality.

**Introducing the new standard of design, productivity and comfort!**

The Bobcat 864 G-Series compact track loader delivers a wide range of innovative operator-friendly features and exciting new value-added options.

---

**Specifications**

**Bobcat 864 G-Series Compact Track Loader**

**Track Loader A LEAP AHEAD IN PERFORMANCE!**

Experience the incredible power and smooth ride of the Bobcat 864 G-Series compact track loader. It delivers 2000 pounds of operating capacity and is powered by a 2166 mm turbo-charged, oil-cooled diesel engine. The Bobcat 864 delivers the power and performance to get the job done right.

**Dimensions**

- **Track - 864**: 17.7 in. (450 mm) wide minimum, 20.9 in. (530 mm) minimum.
- **Track - 864**: 77.1 in. (1958 mm) overall length, 17.7 in. (450 mm) track width.
- **Track - 864**: 91.5 in. (2324 mm) overall length, 12.6 in. (320 mm) track width.
- **Track - 864**: 121.0 in. (3073 mm) tipping height, 17.7 in. (450 mm) track width.

**Engine**

- **Make/Model**: Deutz/BF4M1011F Turbo-charged
- **Rated Net HP/Displacement**: 73.0/178 in.³ (2,92 L)
- **Cylinders**: 4
- **Width (with bucket)**: 74.0 in. (1880 mm)
- **Length (with bucket)**: 135.4 in. (3439 mm)

**Rated Operating Capacity**

- **Operating Capacity (SAE)**: 12,000 lb. (907 kg)
- **Tipping Load**: 5715 lb. (2592 kg)
- **Operating Weight**: 8080 lb. (3665 kg)
- **Fuel Tank Capacity**: 25 gal. (94.6 L)
- **Ground Pressure**: 5.2 psi
- **High Flow Option**: 32 GPM (121.1 L/min.)

**Transmission**

- **Hydrostatic**: 20.6 GPM (77.8 L/min.)

**Options & Accessories**

- **Hydraulic Breaker**: 48 kN (10,893 lb.)
- **Wheel Saw**: 1.2 m (4 ft.)
- **Dumping Hopper**: 1.5 m³ (2.0 cu. yd.)
- **Catalytic Purifier**: Yes
- **Backup Alarm**: Yes
- **Angle Broom**: 1.2 m (4 ft.)
- **Easy Roll Back Bucket**: Yes
- **Cone Pail**: 800 lb.

**Cab Features**

- **Comfortable, fully-adjustable suspension seat allows ultimate operation. The innovative seat bar pivots from the rear, providing secondary restraint protection and serving as a comfortable armrest for operators of all sizes.
- **High-visibility front door, with 49% more glass.
- **Adjustable suspension seat (vinyl cover)
- **Parking Brake**: Yes
- **Horn**: Yes
- **Horn**: Yes
- **Front & Rear Lights**: Yes
- **Rear Auxiliary Hydraulics**: Yes
- **Front Auxiliary Hydraulics**: Yes
- **Bucket Positioning**: Helps operator keep the same tilt of the load during lifting.
- **High Flow Auxiliary**: Yes
- **High Flow Auxiliary**: Yes
- **Keyless Start System**: Yes
- **Lockouts**: Yes
- **Display**: Multi-language display
- **Help Menu**: Yes
- **Engine Shutdown**: Yes
- **Turbo-Charger**: Approved
- **Catalytic Purifier**: Yes
- **Backup Alarm**: Yes
- **Advanced Hand Controls**: Yes
- **Adjustable Suspension**: Yes
- **Engine Shut-Off**: Yes
- **Seat Belt**: Yes
- **Service Safety Training Kit**: Yes
- **864 G-Series compact track loader**: 126.0 in. (3198 mm) overall length, 12.6 in. (320 mm) track width.

**Wide Rubber Tracks**

- **864 G-Series compact track loader**: 112.0 in. (2845 mm) overall length, 12.6 in. (320 mm) track width.

**Performance**

- **Operating Weight**: 8080 lb. (3665 kg)
- **Rated Operating Capacity**: 12,000 lb. (907 kg)

Top-notch traction for your toughest tasks!

Bobcat® 864 G-Series Compact Track Loader

Rugged rubber tracks give you the extra traction you need to keep moving on rough ground, soft ground — even in muddy conditions! The 864’s lightfooted track system also means reduced ground pressure and less ground disturbance.

You get more pushing power, too. The tracks are learned with a hefty 73 hp diesel engine to deliver plenty of muscle for grading, tilting, digging and dumping.

Extra Hydraulic Power!
The 864 with the high flow option package gives your 864 loader an extra 11.4 GPM of hydraulic flow, for a total of 32 GPM. This, along with 3000 PSI system pressure, allows you to operate special high-performance attachments, including pavement planer, trencher and trencher saw.

Choice of Attachments.
As with any Bobcat loader, you can count on a variety of quick-attach Bobcat attachments for your 864. The operator can easily replace a bucket with a backhoe, pallet fork, landscape rake, grapple and many more.

Built-In Safety.
The 864 gives you the latest in safety technology — the Bobcat Interlock Control System (BICS™). This exclusive feature requires that the operator be seated in the loader with the seat bar down in place and the engine running before the hydraulic lift and drive systems can be operated.

Serviceability.
Bobcat serviceability is unsurpassed. Simply open the swing-out side vents. A dedicated rubber track system and you have a compact track loader that delivers optimum performance on every jobsite. Get in the seat of a new 864 G-Series today for a great view and an even greater value!

  - Fuel/Cooling: Diesel/Oil

- **Fuel Tank Capacity**: 25 gal. (94.6 L)
- **Fuel System**: Carburetor
- **Cooling System**: Air Cooled
- **Transmission**: Hydrostatic
- **Operative Weight**: 8080 lb. (3665 kg)

- **Hydraulic Pump Capacity**: 20.6 GPM (78 L/min.)
- **Lift Height (High Flow Only)**: 2000 LB.

**Dimensions**

- **Height**: 82.3 in. (2090 mm)
- **Width**: 91.5 in. (2323 mm)
- **Length (with bucket)**: 135.4 in. (3439 mm)

**Machine Weight**

- **Net**: 106.9 in. (2715 mm)
- **Axle Weights**: A - 40.5 in. (1029 mm), B - 43.5 in. (1104 mm), C - 43.5 in. (1104 mm)

**Engine**

- **Make/Model**: Deutz/BF4M1011F Turbo-charged

**Standard Features**

- **Lift Speed**: Forward, Reverse, Fast Neutral, Slow Forward, Slow Neutral
- **Standard**: Bucket Control Roll Bar

- **Hydraulic Flow**: 43 GPM (162 L/min.) with standard pump, 106 GPM (400 L/min.) with optional high flow pump

- **Initial Start**: Keyless

- **Engine Shutdown**: Automatically Activated

- **Backup Alarm**: Keyless

- **Special Applications Kit**: Includes: Snow Blower, Wheel Saw, Dozer Blade, Snow Thrower, Concrete Mixer, Vibratory Roller, Landplane, Tiller, Spark Arrestor, Engine Shutdown System

**Options/Accessories**

- **Dozer Blade**: 2000 LB.
- **Side Windows**: Skid-Steer Loader
- **Top & Rear Windows**: Bobcat Attachments
- **Tires**: Wide Rubber Tracks
- **Engine**: Turbo-Charger (Approved)
- **Fuel Tank**: 25 gal. (94.6 L)
- **Lift Height**: 2000 LB.

**Bobcat Attachments**

- **Hydraulics Package**: Two Foot Pedals (Or Optional Advanced Hand Controls)
- **High Flow Auxiliary**: Raise/Lower Lift Arms, Steering and Drive Forward, Reverse, Travel Speed and Steering Controlled By Two Hand Levers.

**The New Standard**

Combine all these outstanding features with the 864 G-Series’ ease of operation, comfort, safety, serviceability, wide choice of attachments, worldwide dealer support, service backup, parts availability and high resale, and it all adds up to the best Bobcat track loader in its class today.

**The Bobcat Advantage**

- **Comfortable, fully-adjustable suspension seat allows all-day operation.** The innovative seat allows operators to maintain their preferred driving position even with their seat elevated.
- **Overhead grab rail and height-adjustable seat bar pivots from the rear, providing secondary restraint protection and serving as a comfortable armrest for operators of all sizes.**
- **High-visibility bright seat belt allows all-day operation.** The innovative seat belt design allows operators to maintain their preferred driving position even with their seat elevated.
- **Right Side Standard Instrument Panel**
- **Left Side Instrument Panel**
- **State-of-the-art instrument panels provide access to operational features, diagnostics and monitoring.** Optional state-of-the-art instrument panel packages include keyless start, security systems, tilt polish, machinable等级, even a “fob” entry,
- **Other available features include the driver’s innovative instrument panel for easy-to-read monitoring, dual pump cooling, sealed and lubricated roller bearings, unmatched operator comfort and security.**

**30 HP**

- **Engine**: Turbo-Charged, Oil-Cooled Diesel Engine
- **Bucket Width**: 74.0 in. (1880 mm)
- **Track Dimensions**: 60 in. (1524 mm) (SAE) standards. Specifications and design are subject to change without notice. Pictures of Bobcat skid-steer loaders may not be in color. Melroe Company complies with the requirement of ISO 9001 as registered with BSI.
